

## How to Register for Seminole County Virtual School

(To take courses during the normal school day)

1. Go to [www.flvs.net](http://www.flvs.net) and click “sign up”

2. Choose “FLVS Flex” and “Grades 6-12”

3. Click "New Students Start Here"

4. Click "I live in Florida" and "Seminole"

5. Choose “Public/Charter School Student” and hit continue

6. Choose the course you would like to take. (For the example, “Digital Information Technology” was chosen (this is the high school level course that is the prerequisite for many of the career technology/certification courses and by completing both segments, you have satisfied the graduation requirement of a high school digital elective credit))

Diving into this exciting course provides you with the foundational skills needed for future careers in game development, web design, military defense and software engineering. You'll explore Microsoft Office online applications, digital design, emerging technologies, Information Technology careers, and much more! Learn your strengths and how they relate to potential career opportunities. This course serves as a prerequisite to many career and technical education programs of study.

First, choose the level (helps narrow the search)

Next, choose the course (digital information technology was chosen)

7. Be sure to choose “2” segments (A segment is approximately a semester in length and to earn the 1 credit (high school only), you must complete **both** segments)

8. Choose the preferred start date (Students taking a virtual course during the school year should choose the first day of the semester you are wanting to take the course)

9.

**2** Choose your preferred start date

Students are placed as quickly as possible according to their requested start date. At certain times of the year, there may be a slight delay due to high volume requests. We continue to place students into courses as seats become available. This means that you may be placed after your preferred start date.

11. Answer the questions (based on your child) and hit continue

The screenshot shows a survey form with three numbered questions. Question 1 asks for reasons for taking a FLVS course, with 15 checkboxes. Question 2 asks if the course is on the student's physical school schedule, with three radio button options. Question 3 asks how the student heard about the course, with a dropdown menu and a referral code field. At the bottom, there are 'Back', 'Continue', and 'Chat With FLVS' buttons. The Windows taskbar is visible at the bottom of the screen.
